

REMARKS

The present application is being submitted as a Rule 53(b) continuation application of USSN 09/565,611,520, filed May 4, 2000. Claims 1-68 of the prior application have been cancelled. Claims 69-82 have been added and are pending in the present application.

Applicant's attorney believes that no new matter has been introduced by this preliminary amendment and that the present application in condition for an early and favorable examination on the merits. Should the Examiner have any questions, the Examiner has but to contact the undersigned attorney of record at the telephone number indicated below and whatever is required will be done at once.

Respectfully submitted,

YOUNG LAW FIRM, P.C.

By: 

Alan W. Young, Esq.
